

Disposable Piping Bags

Masterline Piping Bags

A clearly different disposable piping bag! The ideal combination of functionality and safety. Masterline Piping Bags provide a clear bag that makes it easy to see contents, with a colored stripe and tip for HACCP Compliance.

Masterline Piping Bags offer a multi-layer construction for added durability and a unique textured grip that for comfortable all-day use. Designed to be both refillable and disposable, These bags offer a hygienic alternative to cotton bags, which can be difficult to clean thoroughly.

Masterline Piping Bag Features:

- Hygienic and disposable
- Clear bag to easily see contents
- Colored stripe for HACCP Compliance
- Multi-layer construction for add strength
- Special 'soft touch' grip
